Description:

The Quick Disc is a low cost, performance oriented one to one DVD/CD Recordable duplication system from Microboards Technology, LLC. With its user friendly one button operation, sleek desktop footprint, and office environment aesthetics, the QD-DVD is perfect for any user requiring easy copying and backup of data onto DVD media.. Superior technology allows the Quick Disc to ship without a hard drive; duplication of DVDs is done on the fly. LED indicators provide the user with status of the duplication process, minimizing the number of faulty discs. Current high speed DVD Recordable technology is supported at 4X, while CD recording is at 16X.
