Sensitivity, Color:	.06 lux
Sensitivity, B/W:	.006 Lux
Power:	12 Vdc
Current:	180 mA
Lens Mount:	CS

Description:

The KSC-196 is near IR monochrome for night and color for day. The new KSC-196 Day/Night is a monochrome and color camera. In night-mode it is rated at 0.006lux F1.4. With its high quality, true color producing IR cut filter the 196 in day-mode matches the image quality of that found in our KSC-231 color camera.

This camera replaces the old KSC-231 & 232 cameras
