Video Output:	Yes 1 ea

Description:

This new surveillance kit uses the latest solid state DVR (KSR-1020) for recording both video and audio. The design incorporates a DTMF pad for controlling our DTMFPTZ unit. The controller will control the pan & tile as well as the lens zoom, focus, and iris.

The audio input allows the use of our Whisper 1 microphone. By adding our new KSC-Z600 camera or any of our other cameras, the unit will include features such as motion detection, or continues record.
